

STEPHEN FOY

WEB DESIGNER

> PROFILE

My Name Is Stephen Foy. Web & Graphic designer/front-end developer from Dublin Ireland. I've spent the last ten years turning ideas into meaningful experiences for startups to established, large organisations.

> EXPERIENCE

CO-FOUNDER 2013 - 2019

The Website Shop

Developing business idea with a business partner from a 2-week pop-up shop to a long term physical location with a staff of two. Forming design, development process & workflows of the business.

Training and mentoring staff in client meetings, design practices, design feedback, WordPress development.

Provided technical support for the company team and over 250+ clients, fixing current issues, providing maintenance for current clients as part of a large WordPress multisite & standalone sites, as well as new clients on their servers or preparing the environment for migration to more secure hosting environment.

Building new features, website migration, hosting, emails, contributing to the company development processes fostering client relations

Working with large corporations & stakeholders with the online presence, working with the different departments (Social media, Search optimization team & management), working together to ensure design briefs are delivered to the highest standard and within tight timelines.

FREELANCE 2011 - Current

Opposable Thumbs

Worked closely with a variety of clients one-on-one to design and build websites within budget and time constraints. Catering for small to medium-sized businesses offering advice and guidance, from domain name registration, Website and Email Hosting, Logo and Stationery design, Website Design/Development, UX/UI Design, Website maintenance, Content Management Systems (CMS) and Search Engine Optimisation (SEO).

WEB PRODUCER Feb 2012 - May 2012

Happy Endings

Social media and design for the RTÉ ONE series 'Dirty Old Towns' by the production company "Happy Endings" starring Diarmud Gavin.

Work consisted of managing the Facebook & Twitter pages for the show, updating the fans of news relating to the show (upcoming events, news on the series) as well as linking to other content which would be suitable for the theme of the show.
